Environmental Science & Technology Letters

Best of the Best in 2016!

The *Environmental Science & Technology Letters* (*ES&T Letters*) editorial team had the challenging task of choosing the papers that stood out from all others published in 2016 due to their timeliness, novelty, and quality.

Four studies were identified that especially merited inclusion in the *ES&T Letters* Best Papers of 2016 – they are listed below. Read the *ES&T Letters* editorial team's Editorial to learn more about each paper. Congratulations to the winners!
